

# Walter Custodio

## Multimedia Designer & 3D Generalist.

Based in Argentina, I bring 2+ years of freelance experience delivering Animation, Motion Graphics, and Game Dev solutions for international clients. My approach merges strong visual aesthetics with technical problem-solving.

As an advanced student at UNLP, I am constantly expanding my stack, currently focused on integrating 3D assets into web and interactive environments. I am driven by technical challenges and the pursuit of efficient, high-impact design.

## Work Experience

### Freelance Designer

SEPT 2022, — PRESENT

Design of logos, branding, flyers, occasional photo editing, image and video editing, etc.

### Teaching Assistant, Facultad de artes, UNLP

MAR 2021, — PRESENT

Mentoring students in the development of video games as a framework to study semiotics. Bridging the gap between theoretical concepts and practical application in game mechanics and interactive design.
